	**SKINCARE** Cleanse → Tone → Moisturize → SPF
 	**PRIME - COLOR-CORRECT** Smooth base and neutralize discolorations.
	**EYESHADOW** Do it first to avoid fallout messing up your base makeup.
	**MASCARA** Apply now to prevent smudges on finished base.
	**FOUNDATION** Even layer on center of face.
	**CONCEALER** Apply under eyes and blend seamlessly over foundation.
	**EYEBROWS** Define brows after foundation to avoid flakiness.
 	**BRONZER/CONTOUR** Add warmth and definition after your base is set.
 	**BLUSH/HIGHLIGHTER** Add blush for color and highlighter for glow.
	**LIPSTICK** Apply last to match cheek and eye makeup perfectly.
	**SETTING SPRAY/POWDER** Lock everything in place for a long-lasting, flawless finish.
